EVERYONE INVITED

WPA Recreation Dept. Plans Week Of Open House

There will be lots of fun for everyone tomorrow afternoon when the local WPA Recreation department holds open house at the social, at General Pershing school, 631 Hanover street.

Planned as a feature of National Recreation Week, tomorrow's social will include special games and races, individual and group activities for everyone.

All interested adults and children are cordially invited to come and watch the excitement and join it if they wish. Miss Marie Bell and Mrs. Clara Mitchell will be in charge. The party begins at 1 p. m.

Bruce H. Boynton, director, today emphasized the fact that the General Pershing Junior Recreation Social club is only one of many activities sponsored here by the Recreation department. The public is welcome to visit a 11 other centers as well, he said. Boynton particularly urged mothers to visit the various craft centers which have kept their youngsters busy and happy during the summer.

Special ping pong tournaments are planned at the high school and at the General Pershing school, with tennis, badminton and other games also scheduled for the week.

With an enrollment here of approximately 4500 persons, a large percentage of whom are adults, the Recreation department covers every part of town. Needlecraft, puppet-making, singing, dancing, ceramics, indoor and outdoor sports and woodcraft are only a few of the activities enjoyed without charge by Daly City residents in their leisure time.

More than 30 acres of play area are under the constant supervision of the Recreation department. Fifteen leaders here, directed by Boynton, take charge of activities at eight Recreation centers.

Full cooperation is extended to the department by the city government, which furnishes materials and incidentals to the extent

Congressman Visits Daly City, Colma

This country will not send young Americans to fight a war on foreign soil. At top speed every available resource is being developed to defend this hemisphere against aggression. The Federal Board of Investigation is taking precaution to prevent "fifth column" activities in America.

These were the assurances Congressman "Jack" Anderson gave local citizens as he addressed a large luncheon audience, last Wednesday, at Colma Italian cafe. Congressman Anderson, a member of the House Naval Affairs committee, discussed at length the defense of this country with civic leaders who attended the luncheon.

"The paramount interest of every American is to maintain our democratic system without interference," the congressman pointed out. "We shall realize this objective," he said, "by building defenses that no nation will challenge. Simultaneously we shall perpetuate the social gains our people have made in past years."

To Distribute 1940 Directories To D. C. Homes

Daly City residents this week were proudly opening the crisp new pages of their new 1940 Directory.

First copies of the apple-green, picture-crammed handbook were distributed here on Friday morning. It is estimated that before the end of the month every homeowner in Daly City will have in his possession one of these free booklets.

Published by The Daly City Record, the Directory tells in simple, interesting form, by word and picture, the glowing story of this community—its work, its play, its opportunities, its future. Already acclaimed as one of its most valuable features is a full

Youngsters Leave For Camp Monday

Medical examinations were completed this week for sixty excited young fellows who will leave here next Monday for a week's fun at Camp Shadowbrook in the Santa Cruz mountains.

For most of the boys, it will be the culmination of a lot of work and a lot of hoping. The majority of the youngsters, ranging in age from nine to sixteen years, have earned their own way to camp by planting and caring for their lawns and gardens.

The city-beautification program was sponsored by J. W. Marchbank, the Daly City Record and the local WPA Recreation department. Medical examinations were under the direction of Dr. Ivan T. Budaeff and Dr. Lawler A. Drees.

Edward High, director of Boys camp, will be in charge of this year's outing.

San Mateo County Tentative Budget For 1940-41 Indicates Increase of \$70,000 Due In Tax Levy

County Controller Thomas J. Kane Monday filed with the board of supervisors and the county executive a tentative 1940-41 budget which would increase the county tax levy, exclusive of schools, by about \$70,000.

Apparently the heaviest increase was in the Social Service department, which requested

Call Public Hearings On D. C. School Budget

In order that Daly City taxpayers may be informed of the needs and cost of their local school program, two public hearings on the school budgets for the ensuing year will be held one week from tomorrow evening.

The public hearing on the proposed budget for the Jefferson elementary school district will be conducted at 8 p. m., August 1, in the administration building, 364 Santa Barbara avenue.

The high school budget will be discussed at a meeting scheduled for 7 p. m. the same evening, at the Jefferson Union high school. Both boards of trustees cordially invited the public to attend.

Total budget requirement for the grammar school district has been set at \$100,000, while that for the high school totals \$191,888.

Man Tries To Sell Stolen Drills Here

Unsuccessful in his attempt to sell two electric drills in Daly City, Arthur Bassinger, 166 1/2 Lexington avenue, San Francisco, was picked up by Daly City police Thursday on a charge of stealing drills in San Francisco.

Brought into the local police offices for questioning, Bassinger confessed to the theft, according to Police Chief James G. Reardon. He was turned over to the San Francisco police department for further questioning.

Colma Boy Enters Soap Box Derby Semi-Finals

Red, white and blue, the home-made racer of a thirteen-year-old Colma boy will flash past the judges' stand at Treasure Island, Sunday, in the thrilling semi-finals of the National Soap Box Derby.

Don Bortis, eighth-grade student of Jefferson elementary school, has spent many weeks of hard work constructing the streamlined car that he hopes will bring him victory. Made of plywood with regulation wheels and steering gear, the fast little coaster will compete with some two hundred other cars from this district.

The "world's greatest amateur racing event" is open only to boys between 11 and 15 years of age. All cars entered are made entirely by the drivers themselves or only

Re-Open Ceramics Classes At High School

Ceramics classes re-opened at Jefferson Union high school this week following the return of Miss Jehan Dorn, instructor, from the Girls camp in the Santa Cruz mountains.

Instruction is given each Tuesday and Thursday evening, from 7 to 9 p. m. The classes are open to anyone free of charge, the local WPA Recreational department emphasized today.

Community Wishes Principal Speedy Recovery

Residents of this community today expressed unanimous hope that Principal James Ferguson, Jefferson Union high school, would hastily recover from a major operation and that he would be able to actively assume his duties at school opening, August 26.

Mr. Ferguson underwent a major operation, July 12, at Stanford hospital, Clay and Webster streets, San Francisco. At the hospital today his condition was reported favorable.

Mr. Ferguson has been the principal of Jefferson Union high school for many years. His progressive educational policies have won commendation from leaders throughout the nation. Under his direction Jefferson Union high school has developed one of the best physical plants in the West.

To Hold Contest For Rodeo Queen

What girl wouldn't love to own a beautiful Palamino horse, complete with blanket, fine leather saddle and all the trimmings?

And what girl wouldn't like to be crowned "Queen of the Rodeo" and lead the World's Fair Rodeo on Treasure Island, August 31 and September 1 and 2?

These are exactly the awards which will be won by some enterprising Bay area girl within the next few days, according to the San Mateo county sheriff's posse, sponsors of the mammoth Treasure Island sports event.

Officials today stressed the fact that any girl who wishes is eligible to compete. Votes will be counted on the basis of tickets sold—that is, every ticket sold by the girl or her sponsors, will count for ten votes.

Tickets are nominal in price, and will entitle the holder to at-

COUNCIL HEARS PETITION

Communications Occupy Attention At Brief Meet

With the city attorney and the city engineer both absent, the council met in brief session Monday evening to handle several communications.

A petition signed by fifteen taxpayers requesting the hard surfacing of the intersection of Citrus avenue and Woodrow street, was referred to the engineer.

A letter from Julius F. Castelan, former city engineer, was read, denying that he had ever promised payment to municipal bus drivers for extra hours worked, but substantiating their claim of having put in the time. The matter was referred to the city attorney.

A communication from Paul A. Wolter jr., builder of Garden Village, requested the re-zoning of the west side of Junipero Serra boulevard, north of School street, for a distance of 527 feet for business only. The matter was referred to the Planning committee, which is expected to act favorably on it.

Wolter requested a temporary petition to begin building a gas station on the property, which was denied by the council on the grounds of illegality until the zoning is completed. Wolter stated that he also intended to establish a restaurant on the property.

August Conci, who is directing the care of the lawn at Vista Grande park, reported that satisfactory progress is being made. The council requested that people be careful not to tear up the turf with golf sticks.

This Policeman Wears A B-r-o-a-d Smile

Police officers have a reputation for being "hard-boiled," but there is nothing hard-boiled in the smile which Officer George Hopman wears this week.

Nor was there anything hard-boiled in the congratulations with which other officers of the local force greeted the news that Mr. and Mrs. Hopman are the proud

How Do You Like Your Eggs?

It was all accidental, but San Bruno staged a magnificent "egg day," Saturday afternoon, when 30 cases of eggs, each containing 24 dozen, were dumped off a truck on El Camino Real as the result of a collision.

With 8,604 eggs all over the highway, the police department waded in to straighten out the tangled traffic situation and incidentally to prevent a riot as passersby began collecting eggs, hurling eggs or just plain admiring eggs.

The fire department was called in to wash up the omelette from the highway, while the truck driver explained that he had stopped on the highway preparatory to making a left turn. But Louis Pagano, Colma, coming up behind, couldn't stop in time and crashed into the rear of the egg-laden vehicle.

Stated the Burlingame Advance: there were no arrests, no injuries—just eggs.

Blues Defeat Merchants 4 To 2

Two local moundsmen fought it out on the San Mateo diamond in a night game Wednesday, when San Mateo Blues beat Daly City Merchants 4-2. It was the Merchants' first game underneath the lights.

Norbert Pfeifer, pitching for the Merchants, allowed seven hits, as did the Blues' pitcher, Lola Petrocchi, Daly City printer and Owl Drug man, who was playing his second game with the San Mateo team. At bat, each pitcher also got a three-base hit.

The game was a touch-and-go proposition until the seventh inning when the Blues scored. In the eighth, on a Merchants' error, the Blues' centerfield scored for the fourth run.

Daly City Merchants, playing for the first time under the lights and meeting one of the crack teams on the Peninsula, proved that with a little more practise under the arcs they will be a definite threat to down-county teams.

The box score:

El Camino Rancho Stages Barbecue

Spirit of the days of the California Spanish dons was recaptured by the gay crowd who enjoyed the huge barbecue given by the El Camino Rancho last Sunday.

More than 100 members and friends of the Colma riding club left Millbrae early in the morning for Rockaway beach, riding by way of the scenic Spring Valley lakes. Dancing, music and the barbecue after the spirited ride in the open air gave a fiesta climax to the trip. Returning the same way, the group estimated that they had enjoyed approximately 30 miles of riding during the day.

El Camino Rancho hopes to make this event an annual affair.

Lions Hold Convention in Havana

Members of Lions International clubs from throughout the nation will gather for their twenty-fourth annual convention in Havana, Cuba, this week. Pictured above is Melvin Jones, founder of the service club and its present secretary-general, playing with a cub mascot of the organization. Karl M. Sorrick (inset) of Jackson, Michigan, will serve as president of Lions for the coming year. More than 500 Lions clubs were admitted to the international association in the past year, according to officials of the group.

To Hold First Watermelon Shoot

Watermelons, watermelons, watermelons galore will be given away Friday, in Burlingame, when San Mateo county's first watermelon shoot will be run off at the Coyote Point Rifle range.

Sponsored by the Knights of Columbus, the shoot will be county wide, open to all boys and girls from 9 to 15 years of age.

The shoot will be divided into two classes—one for boys and girls under 12 and the other for those from 12 to 15 years of age.

Shooting will start at 9:30 a. m. and continue throughout the day

until all entrants have had an opportunity to win one of the many melons.

Luck targets will be used, as at the turkey shoots, and, like that shoot, ammunition and rifles will be furnished free of charge.

Contestants may use their own .22-caliber rifles if they prefer.

The shoot will be under the supervision of the WPA Recreation department.

U. S. Foreign Trade

America's exports of finished goods have increased fourfold since 1853, while exports of crude materials have been at 71 per cent, a compilation by the New York Journal of Commerce shows. At the same time imports of finished goods dropped 64 per cent, and imports of crude materials increased 4½ times.

Five New Classes Planned For State Fair Horse Show

Five new classes and the re-establishment of an old favorite will aid the horse show at the California State fair, August 30 through September 9 at Sacramento, to retain its place as the premier of such events on the Pacific coast.

Included in the new classes are three for Palominos: trail, pleasure, and parade, with equipment in the latter class to be of parade type.

The other two new classes are for Hackney ponies and the T. H. Ramsay Memorial class, known as the "hackamore" class. The old class of "musical chairs" has been put back in the program, according to Kenneth R. Hammaker, secretary-manager of the fair, due to repeated popular requests.

Another new feature of the show, although held in front of the grandstand rather than in the horse show arena, will be the Herbert Schaps Memorial, a horse jumping award instituted in honor of Herbert Schaps, a former Sacramento and Carmel resident.

'Gone With the Wind'

Members of congress have been asked to help suppress the moving picture, "Gone With the Wind." The Malcolm Ammidown Woman's Relief corps, of Southbridge, Mass., wrote to senators and representatives urging the film be banned as "an insult to the Grand Army of the Republic."

Scouts To Vacation On Russian River

Eight days vacationing at Camp C. C. Moore on the Russian River, August 3-11, is the prospect in store for Boy Scout Troop No. 101, Scoutmaster Frank Coughlin announced today.

Applications must be in by next Monday at the latest, Coughlin said. In charge of the boys will be Father Charles S. Gienger. Donating their time and cars to furnish transportation will be Tom Tallon, Clarence Rengstorff and Joe Rogers. Coughlin will assist.

Explorer Scouts, who have volunteered to accompany the younger boys on the trip, will hold a camp expedition of their own on August 24-25 at the Pinnacles, near Hollister. With them will be Scoutmaster Coughlin, Assistant Scoutmaster Clarence Rengstorff and William Bond, explorer trailman from the San Francisco council.

Two new applicants will join the Explorer Scouts this fall, making thirteen in all. They are Donald Winters and Alfred Bermudez.

Troop 101 committee will meet tomorrow night at the home of Tom Tallon, 64 Riesel street, at 7:30 p. m.

tend any one of the six thrill-packed shows which will be presented during the three days and three nights of the rodeo's duration.

Not only that—every Queen who competes in the contest—whether she wins or not—will be invited to ride in the rodeo.

Here's fun for everyone," said Eddie Allen, member of the board of directors, today. "For further details give me a call at my place of business, 6748 Mission street, or contact the Rodeo headquarters at the Whitcomb hotel in San Francisco. And remember—that \$500 prize-winning pony is on display right now in Colma!"

Describing the tremendous Western event, Allen said, "approximately 1,000 top-notch riders will compete in this show. It's going to be a first-class rodeo with more than 600 rodeo riders and horses in addition to all the mounted sheriffs' posses which have been invited to participate."

Special feature attractions will be announced later. The board of directors, with Bill Enright as manager, includes Frank Ratto, Bill Cresta, Eddie Allen, J. Wimbley, "Brandy" Cunningham and J. Roddy.

IN THE ENTERTAINMENT WORLD

Bess Ehrhardt Rises To Fame In Ice Follies

Bess Ehrhardt, brunette beauty of the Ice Follies of 1940, now appearing nightly at Winterland, in San Francisco, rose to fame practically overnight.

"America's Sweetheart of the Ice" was unknown three years ago, except for minor local fame in the vicinity of her home town, Superior, Wisconsin.

Today her name is a household word. Her rapid rise to the top is almost unequalled in the sports amusement world and critics say she has reached stardom five years sooner than is usual for a skating star.

In the Ice Follies of 1940 beautiful Bess presents a solo number and also appears in a pair act with Roy Shipstad, who is acclaimed as the world's greatest living skater.

Brunette Bess has a style all her own on the ice. She is a dynamic sort of person, with a definite flare for the acrobatic and the spectacular. Possessing a rare sense of showmanship she has developed her two specialty numbers through several hundred performances with the colorful skating carnival in the last two years to a point of absolute perfection.

Ice Follies tickets are available for every performance at Winterland, Walnut 0112; at Sherman Clay box offices in San Francisco and Oakland, and by mail order addressed to Winterland, Post and Steiner streets, San Francisco.

About Town

Mr. and Mrs. Sidney Silver, their 3-year-old son Herbert and 9-month-old daughter, Judith, are visiting Mr. and Mrs. Benjamin Silver, 119 Hillcrest drive. Sidney Silver is employed at Bishop, California, as an engineer for the State Highway department. Sidney and his family are spending their vacation with his father and mother on Hillcrest drive.

Mr. and Mrs. William Smeltzer returned a few days ago from a two-weeks vacation spent at their summer home in Los Gatos. Smeltzer is manager of the Daly City theatre.

Mr. and Mrs. William J. Sweeney, 6808 Mission street, returned Saturday after spending an enjoyable week in the Trinity Alps, Trinity county. Their son Raymond Sweeney, accompanied by his wife, will leave August 1 on the Daylight Limited for a week's stay in Los Angeles.

Mrs. Mable Lorenz, 6899 Mission street, and Bob Wall and children, Audrey and Bobby, 599 Evergreen avenue, recently returned from a week's vacation at Huntington lake.

Mrs. Edith Gelsi, accompanied by Mrs. Mary Tringali, left here this week for a two weeks' vacation at Calistoga.

Sam Eldrup, 134 Woodrow street, is enjoying a two-weeks' vacation at Santa Cruz. He is expected to return home the end of this week.

Apple Pie for Rubinfo
Mrs. Oliver Johnson of Helena, Mont., recalled that what Violinist Rubinfo particularly liked when she was a vocalist with his orchestra was apple pie. So when Mrs. Johnson greeted Rubinfo in Helena recently she carried with her a thick, juicy apple pie. "Wonderful, wonderful," said the violinist.

At The Fair

Eager to learn the impression the general public has of the various exhibits at the Fine Arts Palace on Treasure Island, a ballot system was recently installed in the Fine Arts Building. People are being asked to answer the following two questions: 1. What do you like best in the Fine Arts Show? 2. What painting do you think is the finest?

According to the thousands of votes deposited during the first week after the voting began, the Old Masters section has the greatest appeal to the public.

Close second runner are Mrs. Thorne's Miniature Rooms, considered the best in the exhibit by 25 per cent of the Fine Arts visitors. These Miniature Rooms are entirely different from those on display last year.

The third most popular section of the Fine Arts Palace is the division of Arts in Action, where artists demonstrate before the public.

Other parts of the great comprehensive art show in the Fine Arts Building on Treasure Island attracting particular attention, according to the vote, are the extensive collection of contemporary American paintings; the French nineteenth century art, and the Pageant of Photography.

Among individual paintings considered best by visitors to the Fine Arts Palace, El Greco's canvas, "The Penitent St. Peter" is far and away the most popular. In its striking dynamic character, this painting by an artist who was almost forgotten for centuries and has been rediscovered only recently, has a particularly strong appeal to the public.

Gertrude Lawrence To Play At Curran Theatre

Gertrude Lawrence comes to the Curran theatre in San Francisco for a limited engagement starting Monday, July 29. Since no star of the legitimate stage is held in greater favor than is this distinguished comedienne from overseas, it will be an important theatre event.

Two years ago Miss Lawrence became the toast of the town in Rachel Crother's play, "Susan and God." Now she is to be seen in Samson Raphaelson's brilliant comedy, "Skylark," which Ashton Stevens, critic of the Chicago Herald Examiner, declared was a much better Gertrude Lawrence vehicle than Susan.

"Skylark," enjoyed a highly successful season at the Morosco theatre in New York and comes to San Francisco directly following the long Broadway run. In New York all of the critics were eulogistic in their praise of both star and play.

"Skylark" has to do with the successful effort of a young matron to hold her husband. The rival is not another woman, but a business. Tony Kenyon is really in love with his wife, but his advertising agency has made her a business widow. In solving this domestic problem, Raphaelson, whom we remember as the author of "The Jazz Singer" and "Accent on Youth," has written a brilliant comedy with sparkling dialogue and adroit situations. But best of all, it affords Miss Lawrence liberal opportunity for the display of her personal charm and inimitable ability as comedienne.

"Skylark" comes here in one long leap from New York with the excellent supporting company including such well known players as John Emery and Glenn Anders.

Gertrude Lawrence in "Skylark" will not be seen anywhere else in this territory. Because of this, the producer, John Golden, has made special arrangements to take care of out-of-town reservations both through the mail and at the box office.

Now It's a Malady

School children who play "hokey" are prompted to do so by an uncontrollable malady, in the opinion of C. T. Stewart, assistant director of census and attendance, Atlanta, Ga. So, instead of inflicting punishment, efforts will be made to discover the cause and take suitable curative steps.

Carrier Boys Describe Trip

Excitement galore is packed into the letters recently received by friends of the four San Francisco News carriers who last month won an all-expense-paid tour of the Southwest.

Boating on Lake Tahoe, a trip across Nevada, being entertained by the Las Vegas chamber of commerce, and riding in the oldest automobile in the state of Nevada are only a few of the thrills reported by Fred Wettstein jr., Bernard McDermott, Vincent Arnerich and George Fedde.

Accompanied by Harry C. Noe of the News staff, the boys visited Boulder dam and cruised on Lake Mead. They toured the Grand Canyon, Kaibab National forest, Bryce Canyon and Zion National park.

Of the four winners, two of them extended their thanks to many friends in Daly City who helped them win the prize. Fred Wettstein, first winner in the contest, is a former Daly City boy who lived here for many years.

Bernard McDermott, also a grand prize winner, is the son of Mr. and Mrs. Frank B. McDermott, 636 Templeton avenue, and is a graduate of Our Lady of Perpetual Help school, as well as a member of Boy Scout Troop No. 101.

OBITUARY

Final Rites Held For Mrs. Hendricksen

Final rites for Mrs. Signe Hendricksen, 1010 Hanover street, were conducted Saturday morning from the W. C. Lasswell funeral chapel. Dr. Homer Pitman, Presbyterian minister, conducted the services.

A resident of Daly City for the past eleven years, Mrs. Hendricksen was 61 years old at the time of her death in Community hospital, Wednesday. She had been ill for the last three months.

Three daughters survive her: Mrs. A. Klein, Long Beach, and Mrs. George Bridges and Miss Sylvia Hendricksen, Daly City.

Interment was at Cypress Lawn cemetery.

CAA Leases Land—

Civil Aeronautics Authority has leased 200 acres of land opposite Belmont east of Bayshore highway, according to a document recorded Friday by the county recorder.

CAA regional headquarters at Santa Monica announced that the area is to be used for erection of a radio station to be operated by remote control in connection with Trans-Pacific plane flights. Construction probably will begin before the end of the year.

Wagons of 1890 Used In Filming '20 Mule Team'

The original high-wheeled wagons which hauled thousands of tons of borax out of Death Valley in the 1890's, and which had been on exhibit outside the railroad depot at Barstow since track was laid to the present borax plant at Trona, went back into service for the motion picture, "20 Mule Team," opening tomorrow at the Daly City theatre.

Originally driven by "Borax Bill" Parkinson, most celebrated muleskinner of his time, they were driven in the film by Wallace Beery, enacting the fictional character, Bill Bragg. In Parkinson's day the haul from Furnace Creek to Mojave, then the nearest railroad point, 162 miles away, was made with two wagons and a steel water tank coupled together and pulled by the 20 mules, averaging sixteen to eighteen miles a day in a temperature that ranged from 136 to 150 degrees. One stretch of sixty miles had no water. Therefore the steel tank, containing 1200 gallons for man and beast.

Reputedly the strongest wagons ever made, and in almost as good condition now as when they went out of service nearly forty years ago, the vehicles, weighing 7800 pounds each, were taken Jack to Furnace Creek by Charles Hunt, production manager for the Metro-Goldwyn-Mayer picture. The combined borax load for the wagons was 60,000 pounds.

Companion feature on the new bill will be "Florian," starring Helen Gilbert and Charles Coburn.

Wheaton Quintet Visits Calvary Baptist

On a 12,000-mile tour through the West, the Wheaton College quintet visits San Francisco Sunday to conduct the service at the Calvary Baptist church, according to the Reverend Gilbert Bellshaw, pastor.

Evangelistic in purpose, the quintet in its program features song and instrumental solos, quartet numbers, testimonies and a spiritual message. Oldest of the Wheaton College gospel teams, the Quintet is on its twelfth annual tour.

A mass meeting will be held at 3 p. m. and an evangelistic meeting at 7:45 p. m. The public is cordially invited to attend both of these events at the Calvary Baptist church, Mission and Morse streets.

General Manager Congratulates James E. Donahue

Setting new all-time high sales records for the popular De Soto car, James E. Donahue, Daly City De Soto-Plymouth dealer, was the recipient of congratulatory greetings this week from Van W. Peabody, general manager of James F. Waters, northern California De Soto-Plymouth distributor.

"Having for several years past achieved the recognition as the world's largest De Soto distributor," Peabody said, "we just recently were awarded an elegant trophy as the world's largest Plymouth retailer. We feel these justly enviable records have been earned by both products of sterling merit and a group of associate dealers and salesmen who are thoroughly imbued with our life-long policy of a square deal to the public."

"We are proud of our association with Donahue," Mr. Peabody declared, "and consider him one of our best and most consistent producers."

"While paying tribute to Donahue," Mr. Peabody went on to say, "we also must credit the outstanding merits of De Soto for the re-

markable increase in sales and popularity. Boasting improvements that cost many dollars extra just a few years back, but now come as standard equipment, De Soto for 1940 has an increase in horsepower to 100 and wheelbase to 122½ inches. The car is longer, lower and wider, with increased head, leg and hip room.

"Our hats are off to Donahue for the splendid record being made and we are looking forward to even greater sales and enjoyment from our line in this progressive community," Peabody concluded.

Timossi Explains
Development
In Chrysler Corp.

Fifty-seven million dollars spent in engineering and production development during the past 15 years! That's the unusual record of the Chrysler corporation, according to A. L. Timossi, Chrysler-Plymouth dealer here at Mission Auto company, 6465 Mission street.

"When the first Chrysler was built in 1924," declared Timossi, "the engineering and research facilities at our factory were housed in a three room laboratory in a small wooden building. Since that time, Chrysler's continued emphasis on the basis value of sound engineering in building motor cars has resulted in the consistent expansion of engineering and research laboratories. Recently, in celebration of the fifteenth anniversary of the founding of the Chrysler corporation, two new engineering and research laboratories were opened, which practically doubled the space previously devoted to these important facilities. In the new buildings are 94 laboratories, offices and test rooms for practically every conceivable scientific use.

"This emphasis on engineering has gained Chrysler its leadership in the industry," continued Timossi. "From the minds and imaginations of Chrysler engineers came the first All-Steel Body, Hydraulic Brakes, Floating Power, Redistribution of Weight, Automatic Overdrive, Airflow Styling, as well as scores of other features which have contributed to the progress of the industry at large. Chrysler's newest contribution, Fluid Drive, has brought an entirely new sense of freedom and ease in the operation of an automobile."

Stay-At-Home Camp
Planned For Peninsula

A stay at home camp for Peninsula boys who were unable to attend a regular camp during the summer is again being planned by the Peninsula branch of the Y. M. C. A. according to Merlin C. Donaldson, Boys work Secretary. It will be a day camp open to any boy who wishes to participate. Citizenship training will be stressed as well as providing a well rounded program of camp activities. Plans are under way to again use Coyote Point as the center of activities.

The purpose of the Y. M. C. A. summer program is to give boys an opportunity to participate in the activities that have an educational value, those which will aid in building better and more useful citizens.

Merlin Donaldson, Y. M. C. A. secretary, will serve as camp director. Date set for the second annual day camp is August 6, 7, 8 and 9, from 10 a. m. to 4 p. m. Boys are to furnish own transportation to and from the camp. There will be no charge to any of those participating in the camping experience other than for actual cost of materials used in the crafts.

News of Daly City's Organizations

Legion Auxiliary To Install New Officers

Daly City Post No. 410, American Legion auxiliary, will observe one of its most important occasions this year, when new officers for the ensuing term are formally installed, Monday evening, at Legion hall.

Starting at 8 p. m., the installation will be in charge of the San Mateo County, District No. 26, Drill Team of the American Legion auxiliary. Mrs. Bessie Wood, president of the Twenty-sixth district, will act as installing officer.

The drill team will also officiate at the initiation of new members, which will be held the same evening. There are four or five candidates up for admission.

Special music and refreshments will conclude the evening. New officers who will head the organization this year include:

Mrs. Vivian Pahlka, president; Mrs. Naomi Murphy, vice-president; Mrs. Ann Welch, second vice-president; Mrs. Margaret Kenney, secretary; Mrs. Marcie Trier, treasurer; Mrs. Hilda Przyborski, chaplain; Mrs. Kathleen Natzek, sergeant-at-arms; and Mrs. Elizabeth Brida, marshal.

The new executive committee includes Mrs. Mary Crane, Mrs. Alice Reilly and Mrs. Jerry Granville.

Native Daughters Plan Food Sale

El Carmelo Parlor No. 181 Native Daughters of the Golden West, have completed plans for a joint rummage sale and food sale, which will be held August 8 and 9 at 6274 Mission street.

Bargains galore will be offered at the rummage sale, officials said, with everything from wearing apparel to household goods for sale. In the food display, everything from cakes to relishes will be available.

Further details of the huge two-day event will be published later.

Giant Electric Shovel

A giant electric shovel, which will be able to dig through earth as deep as a six-story building, wide as a four-lane highway and deposit it 226 feet away, is under construction at Marion, Ohio. It will be used in strip mining work in Indiana coal fields.

County Council Stages Picnic at Portola Park

The sixth annual picnic, sponsored by the San Mateo county council, Italian American citizens clubs, was reported a huge success by the hundreds of friends and members who attended the event at Portola park, Sunday.

Highlights of the all-day session included a large dance, numerous games and a grand Tombola (or Bingo).

Roy Barghini, secretary of the Italian American Citizens club of Daly City and Colma, took charge of the Tombola. Many Daly City and Colma members attended the picnic.

Foresters Install Officers At Ceremonies

An official visit, installation ceremonies, and initiation made last Tuesday night an important one for Vista Grande Circle No. 253, Ancient Order of Foresters.

The local circle held the first official visit of the order in honor of Grand Chief Companion Adeline Prichard of Stockton, California. The event was staged in Eagles hall.

Accompanying Mrs. Prichard were Grand Sub Chief Companion Bessie Hackmeyer, Grand Treasurer Ida Ebert, Grand Left Guide Nettie McGuere and Grand Inner Guard Florence Griffin.

New officers installed here for the coming year were as follows: Chief Companion Ellen Yates, Sub Chief Companion Lena Hutchings, Financial Secretary Lillian Pezzola, Treasurer Dorothy Selmi, Recording Secretary Mary Dougherty, Past Chief Mary Linhares, Right Guide Cordis, Left Guide Eniuce DeVecchi, Marshal Jane Pearlman, Flag Bearer May Ruttinger, and Organist C. Jones.

Installing rites were conducted by Deputy Grand Chief Companion Myrtle Navaro, Veronica McFall, Minnie Atkins, Ethel Burns and Frances H. Rickmann.

A class initiation, held in honor of the Grand Chief Companion, followed. Later, a light supper was served from tables attractively decorated with fern and individual old-fashioned bouquets.

Honor Miss Nelsson At Bridal Shower

"Happiness to Toby" were the words which Miss Hilda Nelsson, 38 Vendome, read on a huge white layer cake presented to her at a surprise shower, Thursday evening.

More than fifty guests gathered at the bridal shower, given by Mrs. Hattie Elder, 1060 Brunswick street, to extend their best wishes to Miss Nelsson. Miss Nelsson will become the bride of William Elder on September 1.

A gleaming white table carried out the theme of "happiness." Surrounded by lilies-of-the-valley, a miniature bride and groom formed a lovely centerpiece, while four huge white bows trimmed each corner of the table. At one end were six crystal bowls filled with fragrant white stock, while on the other end were crystal candelabra with tall white candles. Big white bells hung above Miss Nelsson's place.

Dozens of lovely gifts were presented to the guest of honor. Both Miss Nelsson and her fiancé are well-known residents of this community. Elder, who is at present affiliated with the Safeway Stores, is a recent graduate of Jefferson Union high school, and has lived in Daly City all of his life. Miss Nelsson, a popular usherette at the Daly City theatre for the past year, also attended Jefferson Union high school.

Guests present at the bridal shower Thursday evening included Mrs. Charles Nelsson, Mrs. Lawrence Kennedy, Mrs. George Chisholm, Mrs. Frank Smollen, Mrs. Herman Christen, Mrs. James Baird, Miss Anna Regan, Mrs. Regan, Mrs. Bert Tobitt, Miss Muriel Tobitt, Mrs. Bela Spiller, Mrs. Rudy Saisi, Mrs. Josephine Giordano, Mrs. Ray Palmieri, Mrs. Ben Davis, Mrs. George Higgins.

The baby will be named "Judy Ann" and with her mother, Mrs. Sue Hopman, will soon be at home to friends at 64 Eastlake avenue.

Mrs. Hopman is well known at the city hall. She served for more than twelve years as a popular clerk in the water department and has hosts of friends in this community.

Ice Cream and Cantaloupe

How about ice cream and cantaloupe for a porch supper during hot weather? Make it something special — cantaloupe a la mode, garnished with fresh peaches and blackberries for good measure.

The vanilla ice cream for which we are giving you the recipe is going to be one of the easiest, nicest and most economical you have ever made. Not too rich, but smooth and full-bodied. Made with only one part cream to three parts milk, which is one-third to one-sixth as much as most recipes call for — a feature that will delight your household budget and prove a boon to those of your family who love ice cream but find it too fattening. And using no eggs, so you can guess how simple it is. All this because it is a rennet-custard ice cream, and rennet has a way with milk, as you rennet-custard fans already know. But why should we tell you about it, when it's so easy to try it for yourselves?

Vanilla Ice Cream in Cantaloupe
2 rennet tablets
2 tablespoons cold water
3 cups milk
1 cup heavy cream
1 cup sugar
1 tablespoon vanilla

Dissolve rennet tablets in cold water. Warm the milk, cream, sugar and flavoring to LUKE-WARM — not hot, stirring constantly. Remove from stove. Add dissolved tablets, stir a few seconds; pour immediately into freezer can and let set at room temperature until firm and cool. Freeze in ice and salt mixture, 4 parts ice to 1 part ice cream salt. Turn freezer about 10 minutes. Remove dasher. Repack with ice and salt and let set until ready to serve.

Serve in halves of thoroughly chilled cantaloupes, with a garnish of sugared sliced peaches and fresh blackberries. Serves 8.

Weight of Comma

Scales balanced to weigh the ink in a comma are finding wide use in modern laboratories. A grain of sugar is considered massive on the microchemical balance. It weighs 68-1,000,000ths of an ounce.

Miss Cipresso Weds Joseph Freccero

Miss Bina Louise Cipresso, a former student of Jefferson Union high school, and very well known in Colma, exchanged marriage vows with Joseph Carlo Freccero Sunday at 4 o'clock in Holy Angels church. The church was beautifully decorated with white and red gladioli, huge crosses of white Shasta daisies and pink carnations.

The bride wore a white satin dress with long sleeves, and a bridal veil which trailed gracefully to the floor. She carried a huge bridal bouquet of white Jasmine. Her four bridesmaids were also dressed in white and wore huge white picture hats.

More than 300 people came to the reception, which was held at 8 o'clock Sunday night, to wish the newly-weds success and happiness.

Mr. and Mrs. Freccero will make their home at Utah and Seventeenth streets in San Francisco when they return from their honeymoon.

"Over Twenty-One" Proves Poor Answer

California women are beginning to find that it may be to their advantage to go through life telling their true age.

The well-known habit of ladies making vague statements about their true age proved to be a setback to a recent applicant for State Aid to the Needy Aged, according to a statement made by Martha A. Chickering, director of the State Department of Social Welfare. This applicant produced evidence showing that her age was all the way from 55 to 70 years. Since the State Law requires proof that the applicant is over the age of 65 before public funds may be paid for an Old Age Security grant, this applicant found herself in grave difficulty.

The case was finally solved by appeal to the State Social Welfare board where the applicant was able to demonstrate, under oath, that she really had passed the age of 65 years.

Enough Customer

A. C. Cooper donated Cricket, a six-year-old rhesus, to the Fort Worth, Texas, zoo. During his first 10 minutes in the "monkey island" colony at the zoo Cricket slapped down seven other monkeys, whipped two raccoons and grabbed three fish from the moat surrounding the island.

"We did it now and saved enough to pay for our vacation"

We have to hoard up money for vacation too,

like the majority of folk in our circumstances. BUT

we DID put in new gas heating equipment. What we

saved about equals what we will spend for our

vacation. Monthly payments are put off until after

October 1st, which is a big help to our budget. The men

who installed our new furnace say it will give

a lot more heat, faster and livelier and will be

mighty reasonable to operate. We feel real proud of

this summer bargain we made.
